Github Profile: <https://github.com/Joshthefullstack>

Linkedin Profile: <https://www.linkedin.com/in/joshua-ibiam-70425623b/>

## ABOUT ME

I am a highly skilled and motivated software developer with 1 year of expertise in designing, developing, and deploying robust and scalable server-side applications. I excel in creating efficient APIs, proficiently managing databases. My strong knowledge of JavaScript, HTML, CSS, RESTful APIs, JSON enables me to build reliable and secure web applications. Additionally, I have hands-on experience with various tools and frameworks, including React, Bootstrap, Git, which have contributed to successful project deliveries and client satisfaction.

## SKILLS

Desktop Publishing, Graphics Design.

HTML5, CSS3, Bootstrap, Vanilla Javascript,

React.js, Next.js, Typescript, Version Control with Git, Github

Node.js, Express.js, Postgres

## EXPERIENCE

### **KHEMMADE COMMUNICATIONS** - *Graphics Designer and Desktop Publisher*

DECEMBER 2020 - AUGUST 2021

- I helped clients in making and creating top-notch designs for their businesses.
- I am well versed in the art of using graphic design tools.
- I volunteered to teach my co-workers and juniors at work.

### **ALX AFRICA** - *Software Engineer Intern*

MAY 2022 - PRESENT

- Gained a lot of skills to build a lot of projects
- Was assigned and worked on really challenging tasks everyday

---

## **Zuri Team Inc. - Frontend Developer Intern**

MAY 2022 - JUL 2022

- Learnt the basics of front-end, HTML, CSS and Javascript and worked on a group project
- Was given weekly assigned tasks to work on

## **StudentsHub - FrontEnd Developer at a Startup**

MARCH 2022 - JUNE 2022

- Worked on projects for a startup and learnt how to build large-scale websites with more than enough interactivity.

## **CERTIFICATES**

Frontend Developer

Zuri Team
